

Introduction to Communications System Design Engineering Using Software Defined Receivers

通信系统设计工程导论---使用软件定义的接收器

Speaker(主讲人): Mark Steffka

College of Engineering & science, University of Detroit Mercy

底特律大学工学院教授

Experience in Both Industry and Academia

在工业界和学术界均有丰富经验

- Former General Motor Engineer, Tehnical Leader 曾任通用电气工程师、技术领头人
- A board member and a member of the Global Education Committee for IEEE
IEEE 董事会成员和全球教育委员会成员
- Creating EMC education and training material to provide to GM global engineering staff, management, and engineering executive leadership.
为通用汽车全球工程人员、管理人员和工程执行领导层创建 EMC 教育&培训材料
- Author and/or co-author of numerous textbooks and technical paper
多部教材和技术论文的作者和/或合著者

讲座时间: 2021 年 6 月 16 日, 晚 7:30-8:30

讲座地点: 教五 B-001
